There was a little turbulence as we were landing, but in the end everything was OK. Our hotel is in the city centre, within walking distance of many popular attractions. It was boiling hot when we arrived, and when we got our room we realized that the air-conditioning wasn't working. The man from maintenance couldn't repair it, so the hotel upgraded us to a very luxurious room! It is so spacious and has got a great view!</p> <p>The museums are very impressive here, but sometimes the queues can be quite long. We took a tour of the canals – did you know that Amsterdam is called the Venice of the North? It has got 100 km of canals and 1,500 bridges! Many people travel around the city on bicycles, so we rented some. I'm afraid I wasn't very good at riding my bike and I almost crashed into another cyclist.</p> <p>Must go now – Dad is taking me out for a gourmet meal this evening, so I want to get ready!</p> <p>Love, Mum</p>
