

# COVID-19 VACCINATION WITH NO APPOINTMENT

## FOR ANYONE WITH DIFFICULTIES GETTING VACCINATED

If you live in Madrid and have problems getting vaccinated against Covid-19, you should go to any centre during its opening hours. You do not need an appointment.

### HOW TO IDENTIFY YOURSELF:

If you can, bring identification (DNI, NIE or passport or other identity document) so that we can register your vaccination status (for health purposes only) and give you the European Union Digital COVID certificate.
