3. Heather: *It's not exactly* a ⁷_____ service but it's easy and ⁸_____.

4. Heather: *It's a very low stress* ⁹_____ of transport. I'd ¹⁰_____ it to anyone.

II. READING 25 P

Visit Sri Lanka

Sri Lanka has seduced travellers for centuries. Marco Polo described it as the finest island of its size in the world, while successive waves of Indian, Arab and European traders and adventurers flocked to its palm-fringed shores, attracted by reports of rare spices, precious stones and magnificent elephants.

Located just above the Equator amid the balmy waters of the Indian ocean, the island's legendary reputation for natural beauty and plenty has inspired an almost magical regard even in those who have never visited the place. Romantic geographers compared its outline to a teardrop falling from the tip of India or to the shape of a pearl.

Sri Lanka packs an extraordinary variety of places to visit withing its modest physical dimensions, and few islands of comparable size can boast a natural environment of such beauty and diversity. Lapped by the Indian Ocean, the coast is fringed with idyllic - and often refreshingly undeveloped – beaches, while the interior boasts a compelling variety of landscapes ranging from wildlife-rich lowland jungles, home to extensive populations of elephants, leopards and rare endemic bird species, to the misty heights of the hill country with their tea plantations.

The island does not lack in man-made attractions either. Sri Lanka boasts more than two thousand years of recorded history, and the remarkable achievements of the early Sinhalese civilization can still be seen in the sequence of ruined cities and great religious monuments that litter the northern plains.

1 Answer the following questions according to what the text says. Write full sentences. (x2) 10p

- A. Who were captivated by Sri Lanka's elephants, spices and precious stones?
- B. What is Sri Lanka like?
- C. What does its form resemble?
